

Standard Features:

- **Adjustable Burst Bar:** Compensates for various weight, forms and perforations.
- **Side Trimmers:** The easily adjustable slitters for side margin removal comes as standard equipment.

Options:

- **Tractor Feed:** The optional tractor feed ensures accurate registration for multi-set bursting and trimming of critical documents such as checks.

The FD 500 heavy duty Table Top Burster is a machine to meet almost any forms handling requirement. The FD 500 with side trimmers operates at 90 feet per minute and can separate one to six part forms.
